

SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

CV 2010-019657

01/26/2011

HONORABLE J. KENNETH MANGUM

CLERK OF THE COURT
D. Glab
Deputy

JOHN V BACK JR.

STEPHANIE MONROE WILSON

v.

K S APPRAISAL L L C, et al.

WENDY N WEIGAND

MINUTE ENTRY

The Court has reviewed Plaintiff's Petition to Reduce Subpoena Costs, the Response by Southwestern Business Financing Corporation, and the Reply.

Plaintiff's Petition is appropriate given the authority in A.R.S. 12-351 D which states a party requesting documents "may petition the court...to reduce all or a part of the costs...if these costs were excessive."

The Court concludes that the statute in question does not allow for attorneys' and paralegal fees in connection with document production. Thus, the statute allows for ten cents per page and \$10.00 per hour for processing time. Perhaps the statute should be changed, but the statute governs. Accordingly,

IT IS ORDERED settling and approving the proposed Order presented by Plaintiff along with his Petition.
