E-Courtroom Policies

Courtroom 411 is one of the new “e-courtrooms” and provides state of the art equipment for case presentation. Please note the following provisions:

1. The e-courtroom uses electronic recording to preserve the record. If you wish to have a court reporter present for the duration of your trial, you **must** notify the court at least 72 hours prior to the beginning of trial.
2. If you do not wish to use the services of a court reporter, but would like a recording of your presentation, please provide the court with a new CD or an **unopened** VHS video tape. A high quality video tape must be used for this system in order to ensure the most reliable record.
3. **For copies of hearings or trial proceedings recorded previously, please call Electronic Records Services at 602-506-7100.** Should an official transcript be required, you may request that the court prepare it. The party ordering the transcript must pay for it. To request a transcript, call 602-506-7100 and provide the date of the proceeding, the case number, the case caption, if the transcript is for an appeal, and your name, address, and telephone number.
4. If you would like some pre-trial instruction on using any of the equipment in this courtroom, please contact the division at (602) 506-3727.

All equipment will be ready for use upon arrival of the parties. If for some reason it is not, please contact court staff for assistance. Do not attempt to set up the court equipment by yourself! In addition, please do not unplug, move, or in any way alter any of the equipment, microphones, cameras, etc. in the courtroom.
