RULING

The Defendant's Motion for Summary Judgment re: Plaintiffs' Remaining Claim, Diminution of Value, has been under advisement. The Court has reviewed the legal file and the pleadings filed. The Court has further reviewed the applicable case law.

The Plaintiffs' remaining claim of damage is for the diminution in value of their vehicle. The affidavit of the witness to be relied upon by the Plaintiffs indicates that there was no diminution in value to the vehicle based on the accident.

There is no evidence upon which a jury could find that the vehicle's value was reduced based on the accident involving the Plaintiff and Defendant.

IT IS ORDERED granting the Defendant's Motion for Summary Judgment.
